**Re: Method for Stimulating a Petroleum Well**  
**U.S. Patent Appl. No.: 10/828,612**  
**Patent No.: 7,198,103**  
**Our File No.: 9371.003**

Dear Gale:

Enclosed is the Official U.S. Letters Patent No. 7,198,103, which evidences your patent rights. Please keep this original Letters Patent in a safe place where it is not likely to become lost or stolen.

**Also note that you must under the present law pay to the Patent Office three maintenance fees on or before the following dates:**

October 5, 2010	-	\$ 470.00
October 6, 2014	-	\$1,075.00
October 4, 2019	-	\$1,660.00

The above maintenance fees may be paid as late as April 4, 2011, April 3, 2015, and April 3, 2019, with appropriate surcharge. **Failure to timely pay these maintenance fees will result in the cancellation of your patent rights.**

Although our law firm does maintain a calendaring system, we will not assume the responsibility of reminding you when the maintenance fees are due. **You must maintain your own calendaring system.** Please be advised that this patent will expire on October 25, 2024, twenty years from the filing date, which includes an additional 187 days added because of the patent office's delay in prosecuting your application.

Enclosed are copies of papers, which we will file with the Patent Office indicating we are withdrawing as attorney of record and to forward directly to you any notices or other correspondence relating to your patent.

**ROY, KIESEL, KEEGAN & DENICOLA**

Products employing the patent should be physically marked with the patent number (e. g. Patent, 7,198,103). **Please be sure to read and follow the enclosed insert, Patent Marking.** Valuable rights will be lost if you fail to properly mark your device as patented.

Sincerely,

**ROY, KIESEL, KEEGAN & DENICOLA**
